Regional Leadership Circle Benefits

\$25,000+ annual commitment.
GRP's largest private sector investment level.
Helps guide strategy and direction for the organization.

Supported by Greater Richmond Partnership's largest investors, the Regional Leadership Circle is a high-level advisory group dedicated to enhancing the global competitiveness of the region.

- Membership for company's top executive to sit on the Regional Leadership Circle
- Help guide strategy and direction for the organization through annual work plan development
- Company logo and hyperlink featured prominently on GRP marketing channels
- Option to host quarterly Investor Forum and/or serve as a moderator or panelist
- Opportunity to be elected to the GRP Board of Directors
- Opportunity to serve on committees
- Possibility of being included in media pitches and news stories
- Primary host for prospects/media/site location consultants touring the region
- Invitations to exclusive events and special engagements throughout the year
- Invitation to attend investor-only events for free with no additional costs
- Opportunity to be engaged in helping to bring new companies into the market
- Advance notification of economic development projects locating in the region when possible
- Invitation to update the entire GRP team about your company once per year
- Ability to host GRP staff for an economic development briefing and tour in your office
- Opportunities to network with senior level professionals at GRP events
- Advanced data analytics on the region
- Investor-only newsletter and updates
- Referrals to your company to economic development clients and other investors when appropriate
- Recognition for your company through GRP marketing channels including website, content marketing, public relations, social media, presentations, and GRP office display
